Subject: Foreign Filing of PM 1697/1550
Electrical Smoking System for Delivering Flavors and Method for Making Same

Dear Gentlemen:

Earlier instructions included a national filing in Turkey that was to be initiated by sending a copy of PM 1697/1550 PCT directly to the Turkish agent of Reddie & Grose.

Confirming my telecon with Harry today, those instructions are now changed.

Philip Morris desires to file national applications in additional countries: Turkey, Malaysia and Thailand.

Please send a copy of PM 1697/1550 PCT by courier to Reddie & Grose so that they may adapt the application to the respective foreign practices.

Reddie & Grose will then send the application to their foreign associates, including the one in Turkey.
